

RUSSIAN-SOUTH AFRICAN SCHOLARSHIP PROGRAMME

Proudly Facilitated by Empire Partner Foundation

Applications for 2023

The 2023/24 academic year application campaign to Russian universities has finally kicked off!

Matriculants of the Republic of South Africa and the Kingdom of Lesotho as well as Russian compatriots residing in South Africa and stateless persons, are invited to apply for State Scholarships to study in Russia starting from the 2023/2024 academic year.

The application process is facilitated by Empire Partner Foundation. In the last year the Foundation successfully assisted over 30 matriculants and undergraduate applicants to further their studies in Russia.

Those willing to pursue their education in Russia will have to:

- *Fill in the online application form (will be available starting from Oct 1, 2022)*
- *Upload matric or bachelor's certificates with results.*
- *Upload a copy of passport or ID (approved candidates will need passports)*
- *Upload several medical documents.*

The application period runs Sept 1 – Dec 31, 2022. Choose a university and education program you like and pursue your career dreams with Russia!

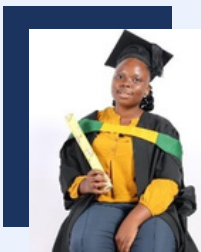

Use this link to apply for the scholarship: <https://forms.gle/rFbeSmwanwby4Bmy5>

Or alternatively send text message to 063 171 8242 (WhatsApp)

with your name, surname, & desired specialty;

Or email: scholarship@empirepartnerfoundation.org

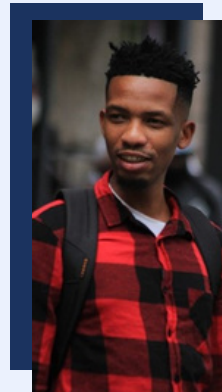

[There is no age restriction]

"I am Lulamani. I'm continuing with my studies to strengthen my skills and knowledge in GIS [for] my future... I chose Russia because of its high quality in education."

"Hi, my name is Dieketseng. I am in Moscow. I have just completed my Bachelors in Radio Engineering, and I successfully applied to continue with my Masters. I have been privileged to study in Russia and will return home as a confident specialist. I encourage others to make use of this rare opportunity."

"My name is Bruce. I am one of the students that was awarded the scholarship in Russia through the Empire Partnership Foundation... I will be studying Informatics and Computer Science in Cheboksary at the Moscow Polytechnic University. I chose Russia because of its competitive education system and the country's role in

leading the tech revolution. I look forward to learning, & hope to one day contribute to the global society. I look forward to finally seeing the motherland and learning as much as I can. Whoop whoop Mother Russia!!!"
